

# CIGNA SALUD DENTAL

Cigna puts at your disposal one of the most prestigious and extensive medical service networks, with more than **44,000 professionals and 1900 hospitals and private clinics in Spain.**

We feel **committed to our insured persons and their families.** That is why we like to help the people we serve to improve their health, wellbeing and safety. We know that your oral health and that of your family are very important, that is why we have created **Cigna Salud Dental**, a dental insurance product that offers exclusive coverage and conditions that will allow you to:

- › **Have at your disposal more than 84 dental services** completely free of charge, from consultations, simple extractions, periapical radiographs, one oral cleaning and one orthopantomography per year, within the Cigna dental radiodiagnosis specialty.
- › **Access innovative treatments and materials** such as fiber or carbon reconstructions, zirconia dental bridges, porcelain cast or empress injected jackets and teeth whitenings.
- › Freely choose the specialist, within our **wide network of excellent quality** and great qualification distributed throughout Spain. We have the best **specialists in odontostomatology**, with extensive experience in prevention, care and oral surgery. **2500 clinics and more than 4400 specialists** caring for your smile.
- › Enjoy **all coverage from day one**, without waiting periods and with all pre-existing conditions covered.
- › Access the rest of dental treatments under **very advantageous conditions, with special prices** on average market prices.
- › Attend one of the arranged clinics within our network, in cases of **dental emergencies.**

In addition, the insured persons of Cigna have the following at their disposal **Cigna + Salud**, a prevention and wellbeing program that allows you to access, without waiting periods or pre-existing conditions limitations, Fertility Treatments, Medical Check-ups, Refractive Surgery, the most innovative Genetic Profiles, Body Weight Management programs and Stem Cell Conservation, among others. And all this with special discounts and at centers of the highest quality.

Contact us and we will advise you on the treatment or programme best suited to your needs.
